IMPORTERS LIMITED,

COIMBATORE, S. INDIA.

We have pleasure in announcing to the public, that we are exhibiting the machines of latest invention for general utility, new to India and last seen and shown in the important Exhibition Halls of Germany, England Etc., These are manufactured by famous Firms, specialists in their own lines. They were personally selected by the undersigned during his European tour in 1935/36 on careful study of different makes and after testing them in the factories and exhibitions that they are suitable for Indian conditions and requirements.

Further we are exhibiting a number of Coin operated Automatic Machines designed and made by our own company in our machine Manufacturing Section.

Except a few, all other articles are not for ready sale, but anybody interested may apply for further particulars for trade to "Importers Limited, United Motors Building, Coimbatore,
